

# RESUME

Pratham  
Choudhary

## PROFILE

As a dedicated computer science student pursuing a B.Tech. degree (till 2025). I have cultivated a strong foundation in C, C++, HTML, CSS, and JavaScript, Complemented by my proficiency in Data Structures & Algorithms. I am also well-versed in Full Stack Web Development.

## EDUCATION

- Highschool from Greater Noida World School in 2019 with 1<sup>ST</sup> division.
- Interschool from Greater Noida World School in 2021 with 1<sup>ST</sup> division.
- Currently doing B.Tech. from KCC Institute of Technology and Management in Greater Noida and will be completed till 2025.

## COURSES

- Data Structure, Algorithm & Full Stack Web Development from Diginique Techlabs. [Click here](#)  
MAY 2022 – APRIL 2023
- C certification course from Sololearn. [Click here](#)  
JULY 2022
- Python Certification course from Sololearn. [Click here](#)  
DECEMBER 2022

## PROJECTS

### AMAZON CLONE

Created by HTML & CSS skills

I meticulously recreated Amazon's front-end, including the iconic navigation bar, user-friendly search functionality, and product display, providing visitors with a familiar and intuitive shopping platform.
